Niels Brock Copenhagen Business College Scholarships

In order to honour student achievement, NBCBC offers a range of scholarships. A scholarship is a form of financial support awarded to students in recognition of their academic excellence, talent, or contribution to the college community. Scholarships not only reward achievement but also encourage continued effort and help reduce financial barriers to education.

A total of 10 scholarships are awarded each year to students at the completion of Level 6, Semester 1 across all 3-year programmes.

Below is a description of each scholarship and notes regarding eligibility.

Attendance Scholarship

Three scholarships of DKK 10,000 will be awarded to students with the highest attendance during level 4 and level 5 across all programmes (2 for BABM, 1 for Comp. Sci).
Recipients will be identified by administration, and no application process is required.

Academic Excellence

Three scholarships of DKK 10,000 will be awarded to high-achieving students based on their level 5 GPA (2 for BABM, 1 for Comp. Sci).
Recipients will be identified by administration, and no application process is required.

Civic Engagement

Three scholarships of DKK 10,000 will be awarded to students who have demonstrated significant voluntary engagement within the college community. This includes contributions that enhance student life, support peers, or strengthen the overall learning environment.
Recipients will be identified through a nomination process. Nominations will be assessed and rated by the Student Support Unit based on the following criteria:

- **Impact of contribution**: The extent to which the student's volunteering has positively influenced individuals, groups, or the wider college community.
- **Level of commitment**: The consistency, reliability, and time invested in voluntary activities over a sustained period.
- **Initiative and leadership**: Evidence of proactive involvement, including taking responsibility, leading activities, or introducing new ideas.
- **Collaboration and community spirit**: The ability to work constructively with others and contribute to an inclusive and supportive environment.
- **Alignment with college values**: The degree to which the student's actions reflect the values and ethos of the college.

A call for nominations will be circulated via email by SSU to all Level 6, Semester 1 students at the beginning of the semester. The email will include a link to the nomination form and the submission deadline. Self-nomination is permitted. Nominations submitted through alternative means or after the deadline will not be considered.

Outstanding Overall Performance

One scholarship of DKK 20,000 will be awarded to the student who demonstrates outstanding overall performance, defined as having the highest attendance, the highest GPA, and being nominated for the Civic Engagement scholarship.
The recipient will be identified jointly by administration and the Student Support Unit.

Eligibility Criteria

- Each individual may be awarded one scholarship only.
- Scholarships are available exclusively to P1 students.
- Applicants must have no more than one APO record.
- GPA-based scholarships: Academic performance will be assessed using results from Level 4 and Level 5.
- Attendance-based scholarships: Attendance rates will be calculated using data from Level 4, Level 5, and Semester 1 of Level 6.
- Civic Engagement scholarships: Applicants must demonstrate ongoing and sustained contribution for a minimum of two consecutive semesters.
- Combined scholarships: Eligibility will be assessed in accordance with all relevant criteria outlined above.
